

# Harlequin Fiesta™

**Harlequin Fiesta** is a vinyl performance floor with a clear surface wear layer on top of an oak effect printed film. It looks exactly like a wood dance floor but avoids the cleaning and maintenance problems associated with traditional wooden floors.

**Installation:** Harlequin Fiesta is specified for permanent or temporary installation and is recommended for use in conjunction with a suitable Harlequin sprung floor. The joints are welded or taped to create a continuous performance surface.

**Usage:** Harlequin Fiesta is ideal for contemporary dance, ballroom, salsa, hip-hop, jazz, street and percussive dance styles (flamenco, Irish and tap). It is also widely used for aerobics and as a theatre floor.

All Harlequin vinyl floors are 100% recyclable.
